Now, The New Fantasy Action RPG, Rise, is available for you to begin your adventure! ■ A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. □Open Field:The open fields are lush, beautiful, and full of adventure. □Dungeon:There are many complex and complex dungeon designs in the Lands Between. It's a unique RPG that offers a wide variety of play styles. □Story:A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. □Online Play:In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. ■ A Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. □In PvE, you can take on monsters on your own, thereby having meaningful interactions with others that are just playing the game. □In PvP, you can fight against other players that you meet in real life, while being able to enhance your skills and learn new skills with the other players. * In PvP, it will be necessary to use the data you gathered by playing the game, such as monster information, monster strategy, player information, and skills, to build a battle environment. * You can directly connect with other players who are also playing the game. Please take special care about the safety of the players in PvP. ■ RPG elements with Action elements: In RPG elements, you are required to enjoy entertaining battles, where the development of characters is highly emphasized. In action elements, you are required to launch powerful and diverse attacks against the monsters. ■ Create your Own Character In RPG elements, you are required to enjoy entertaining battles, where the development of characters is highly emphasized. In action elements, you are required to launch powerful and diverse attacks against the monsters. □Customize character appearance: Through items, weapons, armor, and magic that you obtain in the game
